

No author is free from influences of other authors who've gone before. A small portion of the Cool Assassins series is my own invention, but the bulk comes from the careful reading of countless fiction and nonfiction books.

You will find them in the list below, which is current to 30 July 2018.

+==++

William C. Agosta

"Chemical Communication", W. H. Freeman and Company (Scientific American Library), NYC, 1992
